* Systems with more than 4 pads automatically upgrades our wireless TufBook Mini indicator.

**Pad Features**

- Portable, low profile and heavy duty construction
- Made from light yet durable aircraft aluminum
- Easily weighs large vehicles such as trucks, vans, tankers and trailers
- 200% overload protection
- Interlocking skid resistance ramps
- 33’ long shielded metal cable
- Two handles and two wheels for easy carry and moving on each pad
- Easy to use; driver can operate and weigh single-handedly
- Larger options/high capacities available

**T903 Indicator Features**

- Indicator has a built in rechargeable battery
- Includes waterproof indicator suitcase for protection and portability
- Accumulates the weight of up to 4 pads
- Built-in thermal printer, prints the weight of each axle as well as the accumulated total with the time and date

**Options/Accessories**

- Storage/carrying cart with casters
- Remote Display with Traffic Lights
- Data transfer software
- Wireless Laptop/Tablet communication

UPGRADE TO:
TUFBOOK MINI WIRELESS INDICATOR
